TARDIES

For students to start their school day out right, it is important that they are on time. We have been generous in waving of tardies, but recently it has become an issue and is affecting the start of the day for classes. Starting Monday, January 31st we will revert back to our tardy policy addendum that went out on September 13th, 2021. If you need a copy, please contact Mrs. Bachelder in the school office. Thank you in advance for your cooperation in this matter.

BOOTS

When sending your child to school wearing their boots, please make sure they have the proper shoes to change into. Students are not allowed to keep their boots on all day while in class.
