## Homework:

Science, History, Literature and Bible– There may not be daily homework, but it is good to review the notes that were taken each day. Rewriting the notes or making notecards are good ways to study to. Students will be given a 2-day notice for a quiz and a 3-day notice for a test.

Spelling: Students will be given a pre-test on Monday with the words for the week. I will grade them later that day and if they receive 100%, they will not need to take the list portion of the spelling test on Friday. Students will have homework every night in this subject except for Fridays

Bible Memory: Make sure students practice daily. There will be a memory verse per each unit, and it is directly connected to our Bible lesson. There will also be a unit test for Bible class as well.

Math: Students will have homework nearly every day in math, some quizzes and a unit test.

## Friday Folders:

They will go out each Friday and need to be signed and returned by Monday. Anything with a stamp must be signed.

There is also a lot of more information in the student/parent handbook that you will be getting or have already picked up. If you do have any more questions, please feel free to contact me by phone and leave me a message or by email at [srappel@calvary-academy.com](mailto:srappel@calvary-academy.com).

Let's have a great school year,
